

The cover features a fiery, orange and red background with a marbled texture. At the top, the 'STREET FIGHTER' logo is rendered in a large, stylized, flame-like font. Below the logo, the title 'The Storytelling Game' and '20th Anniversary' are written in a bold, black, sans-serif font. The cover is framed by four characters: Chun-Li on the top left, Ken on the top right, Ryu on the bottom left, and Zangief on the bottom right. A central black text box contains promotional text.

STREET FIGHTER

The Storytelling Game 20th Anniversary

Now there's an old way to play *Street Fighter*!

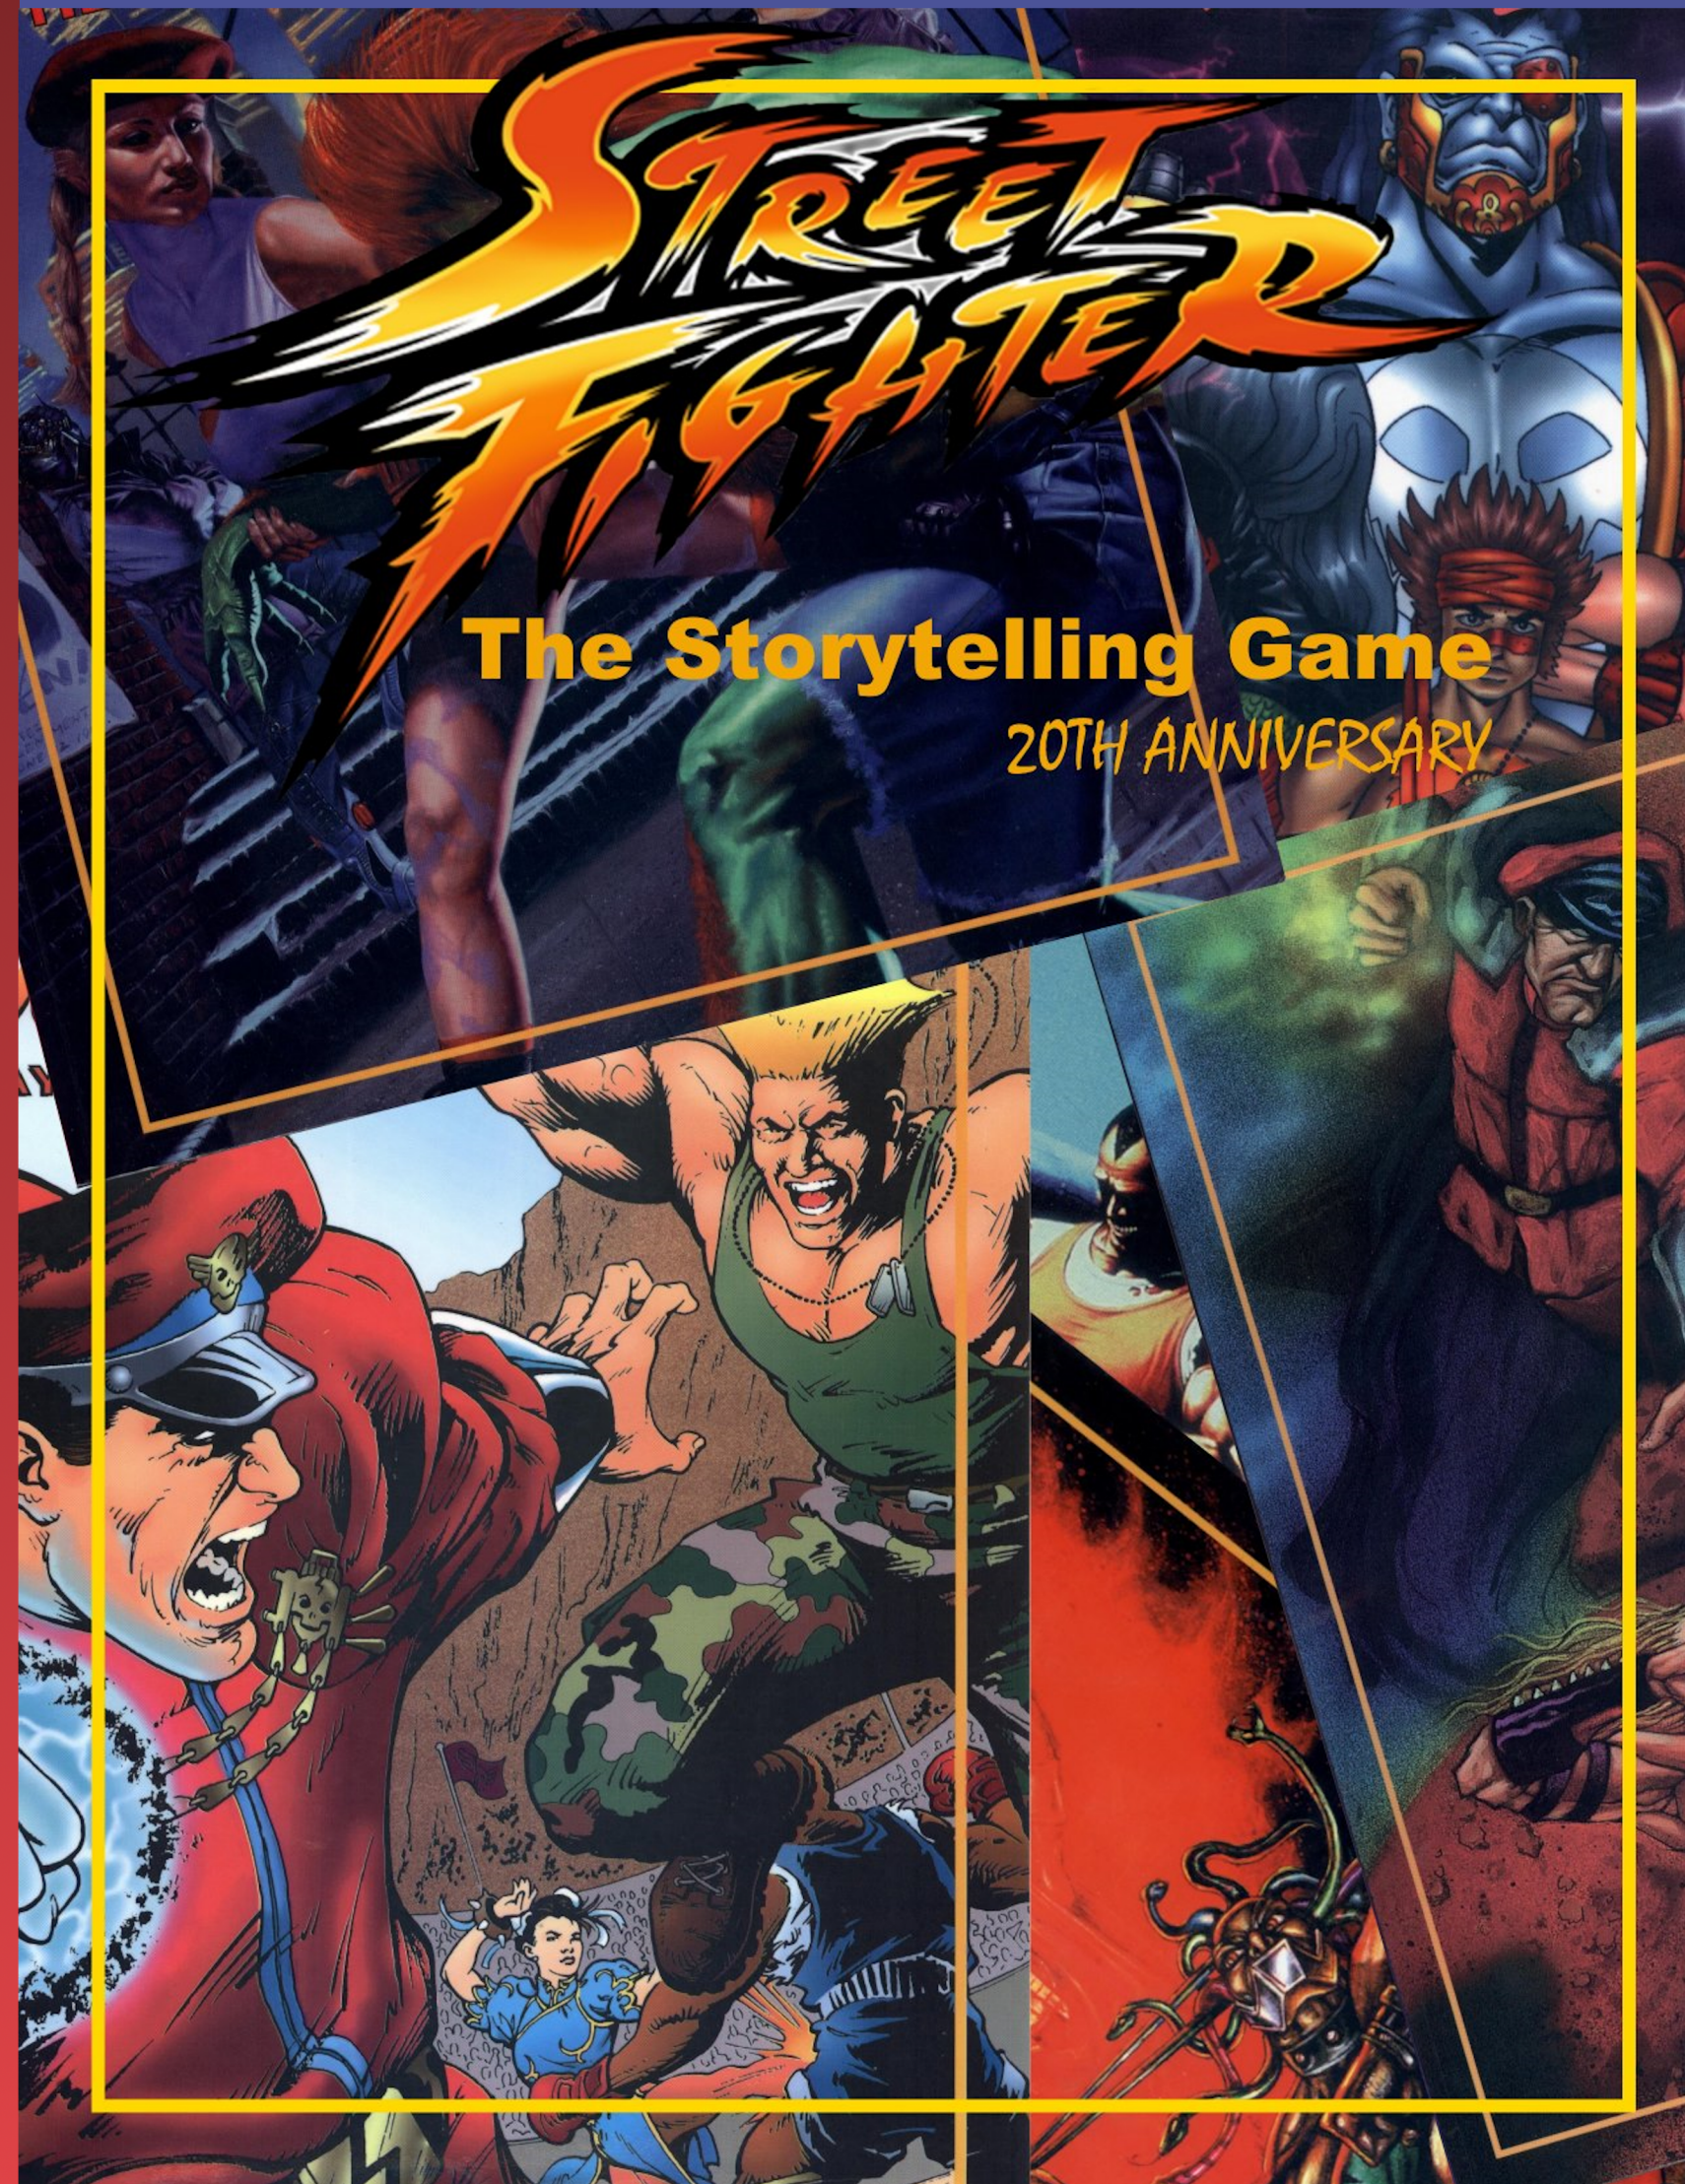

Finally, after twenty years, the groundbreaking *Street Fighter: The Storytelling Game* returns to bring the action back! Join in as the World Warriors pit their mystical martial arts abilities against the evil crime empire of Shadoloo. Create your own *Street Fighter*, choose your own special powers, and carve your own legend among the ranks of the *Street Fighters*.

This book compiles all of the rules, styles, maneuvers and other materials released for *Street Fighter: The Storytelling Game* across all six game books released during its original run. Errata and clarifications have been added so you can get straight to the butt-kicking action without delay! Prepare to once again explore a high-action world of adventure and danger, to visit exotic locations around the world, and fight for what you believe in!

With *Street Fighter: The Storytelling Game's* 20th Anniversary edition, *Street Fighter* will never die!

Face it straight! Go for broke!

STREET FIGHTER - The Storytelling Game 20th Anniversary

The cover features a collage of comic book panels. At the top, the 'STREET FIGHTER' logo is in a stylized, flame-like font. Below the logo, the title 'The Storytelling Game' and '20TH ANNIVERSARY' are written in a bold, yellow, sans-serif font. The cover is framed by a yellow border. The comic panels show various characters in action, including Chun-Li, Ken, Ryu, and Zangief.
